House Minority Leader Nancy Pelosi
235 Cannon House Office Building
Washington, DC 20515

Dear Congresswoman Pelosi:

I am looking forward to your statement calling on the resignation of the San Diego Mayor for his atrocious behavior toward female colleagues and constituents. Democrat Mayor Bob Filner, a former Congressional colleague of yours, has admitted to actions against women that are reprehensible. While I have yet to see any action from your office, I am confident you will speak out against apparent serial abusers like this Democrat Mayor.

As a leader in the Democrat Party and in Congress, as a woman, and as a Californian, I hope you will end your silence sooner rather than later. Stand up for women and call for the resignation of San Diego's Mayor Bob Filner.

This Democrat Mayor has allegedly been forcibly kissing constituents, grabbing the buttocks and breasts of female staff members, and making inappropriate comments to staffers, but we are waiting to hear from you or the Democrat National Committee to call on him to resign.

Mayor Filner is a stain on the city, on your state, and on your party. As the highest ranking female in the United States House of Representatives, I'm confident you'll join me and the Republican Party in calling for an end to predators like Mayor Filner in public office.

To continue in silence, to refuse to stand up for women, to allow an elected member of your party to remain in office would be unthinkable. The actions of Mayor Filner and Democrats such as former Congressman Anthony Weiner and former New York Governor Eliot Spitzer have become a disturbing trend in the Democrat Party, and I'm sure you'll agree that it is past time for it to stop.

It's time for you to speak up. It's time for you to call on Mayor Filner to resign. It's time to take action to protect the women of San Diego.

Sincerely,

Sharon Day
