THE PRIORITIES USA AD HAS BEEN WIDELY DISCREDITED AS "INACCURATE" AND "DISGUSTING"

Priorities USA Has An Ad Featuring A Former Steelworker Who "Appears To Blame Romney For the Death Of His Wife." "Joe Soptic, a former steelworker, makes yet another appearance in a pro-Obama ad, this time for the Super PAC Priorities USA Action. We have examined this case before, and for the benefit of readers we repeat our main points from an earlier column that awarded the Obama campaign One Pinocchio for the use of this case study against presumptive GOP nominee Mitt Romney. Most controversially, Soptic this time appears to blame Romney for the death of his wife after he lost his health insurance when the steel plant closed."
