Steve,

We had to hold off on the press release a little bit to resolve a few last minute issues for members. Everything should be set to go (optimistically today, probably tomorrow). I will make sure to send around a copy of the release which includes all of the board members as soon as it is finalized.

It's great to finally be making progress!

Thanks,  
Amy

Again, thank you for all of your help on this.

I saw the notice in the federal registrar, but didn't see if there was a press release.

Do we know who the members of the board are yet?

Thanks.

Dear SEAB Members,

The SEAB charter has been submitted to the Federal Register. On Monday we will send a press release announcing your appointment to board. (Please note: if you have outstanding paperwork due to DOE's Office of the General Counsel please contact them immediately.)

Please save the date for our first board meeting--September 15th & 16th here in Washington, DC. We are still working out the details, but I will be in touch with you and or your staff at the end of next week to discuss travel.

Please let me know if you have any questions.

Amy
